

University of Massachusetts Boston  
Graduate School of Management

AF621 Advanced Corporate Finance  
Summer 2009

Course wrap-up questions:

1. Explain and illustrate (with citations from course readings and/or lectures) the *two* most important concepts, theories, or practical applications that you learned in this course (3 pages max, double spaced, including illustrations)
2. Explain how knowledge of these corporate finance concepts, theories, or applications will help you in your future professional endeavors (1 page)
3. What did you like most about this course? The least? How do feel this course could be improved? (1 page please)

Delivery:

McCormack Hall, Floor 5, Room 416

(Leave under door)

Thanks!-Professor Grant
